# JAPANESE BRUSHES

MASUMI supplies a range of Japanese brushes developed over the centuries to meet the demands of hyougushi (skilled conservators and scroll mounters).

All the brushes have been hand-crafted using traditional manufacturing methods with only the finest materials. There are two shapes of brushes, one is EDO-gata (triangle shape) and the other is KYOU-gata (round shape).

Customer may select either at the time of order.

EDO GATA

KYOU GATA
